- 18/076 Public Participation – No members of the public were in attendance and as such no comments raised by this forum.
- 18/077 To consider and agree a response to Planning application ref DA/2018/0347 – Sundial Cottage East End Scaldwell.
- Councillor Vinton advised that she had approached the immediate neighbour who advised that they would not be raising any objections.
- Council reviewed the application and confirmed there were no perceived issues with the scale, design , appearance etc.

However it was noted by Cllr Purcell and others that the removal of the garage would likely cause an issue for parking. It was noted that this was a very tight area on East end with little/ no on street parking available – as such the application was approved subject to the development to include and provide provision for off street car parking .

Application approved subject to condition – Proposed by

Cllr O’Leary and seconded by Cllr Long

18/078 National pay award for Clerks salary – it was noted that the Clerks salary scales have been approved at national level and this Council agreed to adopt the salary scales as published.

Proposed by Cllr Long and seconded by Cllr Vinton
